

C. WEIGH-IN (Updated December 2020)

12. Fish may be weighed either whole, or gilled, gutted and scaled.
13. The Association's scales are to be "certified".
14. All fish are to be weighed on land by the Weigh Master or the person he has appointed to be deputy for competition purposes.
15. The capture record book is to include a column for the signature of the Weigh Master, or if unavailable, a witness.
16. All fish must be weighed and recorded as soon as practicable after capture.
17. Currently or previously frozen fish are barred.
18. The fish winning the "Heaviest Fish" is not to be included for "Heaviest Bag" trophy.
19. In an Open Competition, the "Heaviest Fish" must be 1.0 kg or more and the "Heaviest Bag" must be 2.5 kg or more. In a Snapper Competition, the "Heaviest Fish" must be 2.5 kg or more and the "Heaviest Bag" must be 2.5 kg or more. Minimum size for Snapper in any competition is 35 cm. A maximum of 5 Bream per day may be weighed in Bream Competitions. In any Club Competition Gummy Sharks (or School Sharks) must be 100cm or more total length. In any Champion Angler Competition, only "Heaviest Bag" trophy will be awarded.
20. Fish caught during meeting times are ineligible for trophies unless the Committee decides otherwise.
21. Any club competition must have a minimum of 4 members or 3 boats participating otherwise it will be declared "no competition". The exception is for Ladies or Junior competition where there must be a minimum of 2 Ladies or Junior members participating.
